No. 2089 / Dt. 13/4/17

The Principals of all Govt. & Private ITIs.

Sub: Entry of institution level practical marks of AITT February 2017 on the Vidyarthi portal - regarding.

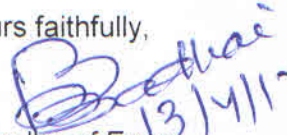

Sir,

In inviting a reference to the subject cited above, I am to say that separate links have been provided under **EXAM TAB** of the Vidyarthi Portal for entry of institution level practical marks of the trainees, who had filled-up forms through Vidyarthi Portal (**Link - Practical Mark Entry(ExREG-Semester)**) and through NCVT portal (**Link - Practical Mark Entry(Institute)**) respectively and had appeared AITT Feb. 2017. Some institutions have informed that during mark entry under **Practical Mark Entry(Institute) link**, roll numbers (NCVT / Vidyarthi as applicable) of very few trainees are not showing for entry of marks and name of two/three trades are also not showing on the drop down menu for entry of practical marks for that trade as well as under **Practical Mark Entry(ExREG-Semester) link** the practical full mark is showing as institution level full mark.

In view of the above, the Principals of all the Govt. and Private ITIs are hereby informed to submit the institution level practical marks in the Council **positively on 18.04.2017** both in soft copy and hard copy format, of those trainees, whose practical marks could not be entered due to the above difficulties on the Vidyarthi portal. The Data is to be submitted in **EXCEL format** semester wise, trade wise, in ascending order of roll numbers without any merged cell as mentioned below.
