

STATE COUNCIL FOR TECHNICAL EDUCATION & VOCATIONAL TRAINING, ODISHA
UNIT-VIII, NEAR RAJ BHAWAN, BHUBANESWAR-751 012

Notice No. 482 /Dtd 20/01/2018

Principals of all private Polytechnics are hereby informed to be in readiness for linking of the institute level Bio-Metric local server to the State Application portal for implementation of Bio-Metric Attendance Monitoring system. All the private polytechnics must ensure that the following activities are completed latest by 27.01.2018. For any clarification you may contact Mr. Sovan (9437501248) of NIC who is looking after this project.

1. All Bio-Metric devices installed in the institute must be working condition and connected to a local server through LAN. The devices must contain the Bio-Metric data of only 2nd, 4th & 6th sem regular students. In case of institutes conducting Part-Time Diploma in Engg courses the Bio-Metric data of 8th sem students should also be included in the devices.
2. The local server can be an i3 or i5 Desktop computer.
3. The local server database must be SQL Server. If SQL Server is not installed in your local server than contact your vendor and install SQL Server in your local server within due date.
4. Download both the Master and Attendance log from the Bio-Metric devices to the local server through LAN.
5. Install Team Viewer or Any Desk software in your local server for remote access.
6. Local Server must have proper internet connection.
